Here is a song about working together 'As One' - whether it's with your friends, family or the wider community.

It is so important to talk, listen and share things with each other...

'Count on Me' is an uplifting song about friendship that many of you will know...

### Count on Me

If you ever find yourself stuck in the middle of the sea,  
 I'll sail the world to find you,  
 If you ever find yourself lost in the dark and you can't see,  
 I'll be the light to guide you,  
 Find out what we're made of when we are called to help our friends in need...

You can count on me like one two three, I'll be there  
 And I know when I need it I can count on you like four three two, you'll be there,  
 'Cause that's what friends are supposed to do, oh yeah  
 Whoa, whoa, oh, oh, yeah, yeah

If you tossin' and you're turnin' and you just can't fall asleep  
 I'll sing a song, beside you,  
 And if you ever forget how much you really mean to me  
 Every day I will, remind you,  
 Find out what we're made of,  
 When we are called to help our friends in need...

You can count on me like one two three...

You'll always have my shoulder when you cry  
 I'll never let go, never say goodbye,  
 You know you can...

Count on me like one two three...  
 You can count on me 'cause I can count on you!

Here are some famous quotes about friends:

Friendship is born at that moment when one man says to another:  
 "What! You too? I thought I was the only one..." C. S. Lewis.

I would rather walk with a friend in the dark,  
 than alone in the light. - Helen Keller

Thinking about your friends, write your own quote - what makes a friendship ... or why not write a letter to your friend/s, telling them how special they are - you could also write to a family member you haven't seen in a long time...
