Did you know that Friday 5th June is World Environment Day? This year it is all about nature and what we can do to protect our plants and animals.

Let's start with a song called 'Down there under the sea' with Mrs Howarth.

Here is a lovely song for you to learn. It is about a beluga whale; you can pause and play back the video any time you like to practise. (Make sure you do the warm-ups!)

Once you have learned the song you can practise singing along with the words or you can sing it with the backing track. You will find the tracks - and other activities on this page:

Did you play along with the saxophone and make up your own actions?

Baby Beluga

Baby Beluga in the deep blue sea,
 swim so wild and you swim so free.
 Heaven above and the sea below
 and a little white whale on the go.
Baby Beluga, Baby Beluga,
is the water warm?
Is your mama home,
with you so happy?
 Way down yonder where the dolphins play,
 where you dive and splash all day,
 waves roll in and waves roll out
 see the water squirtin' out of your spout!
Baby Beluga, baby Beluga,
sing your little song,
sing for all your friends,
we like to hear you!
 When it's dark and you're home and fed,
 curl up snug in your water bed.
 Moon is shining and the stars are out,
 good-night little whale, good night.
Baby Beluga, Baby Beluga,
with tomorrow's sun
another day's begun,
you'll soon be waking.
 Baby Beluga in the deep blue sea,
 swim so wild and you swim so free.
 Heaven above and the sea below
 and a little white whale on the go.
 You're just a little white whale-on the go.

Find out more about the beluga whale - and other whales; get your family to help you. Did you know that plastic pollution is killing many whales and sea life in our oceans? Here is a story which tells you all about it:

A Whale's Tale <https://youtu.be/xFPoIU5iiYQ>

Thinking about all the beautiful fish and sea creatures you saw in the video, design and colour your own poster - 'Save our Oceans' or 'No plastic is Fantastic!' You can think of your own ideas.
