Hello everyone! This week we are blasting off into space!

Let's warm-up our voices with a song about 'Five Little Men in a Flying Saucer'

<https://www.bbc.co.uk/teach/school-radio/primary-school-songs-5-little-men-in-a-flying-saucer/zmm4gwx>

Now try singing the song with different voices - can you make your voice spiky...smooth...loud...like a robot...like an alien? Can you think of some different voices?

Here's a song about a journey in a rocket (to the tune of Old Macdonald) Scroll down to find the

Twinkle Rocket Sound Clip...

<https://www.bbc.co.uk/teach/ten-pieces/classical-music-early-years/znvhrj6>

Look for something in your house to make the 'twinkle' sound - now you can sing the song and play your 'found' sound.

Could you make up a new verse?

This time you might see an **alien**. What sound would it make?

In a rocket flying high,
 Zooming through the sky.
 Over there I see a **star**,
 Zooming through the sky.
 With a **twinkle twinkle** here,
 And a **twinkle twinkle** there,
 Here a **twinkle**, there a **twinkle**
 Everywhere a **twinkle twinkle**,
 In a **rocket** flying high,
 Zooming through the sky!

Let's listen to a piece of music about the planet, Mars:

<https://www.bbc.co.uk/teach/ten-pieces/KS2-gustav-holst-mars-from-the-planets/zf6hsrd>

Now listen again. What does the music tell you about what it's like on Mars?

Move around the room - how does the music tell you to move?

Draw a picture to show what you think is happening on Mars.

How many instruments can you name?

Is the music fast or slow? Is it loud or quiet? Is it smooth or spiky?

'Miss Mouse Goes to Space' tells the story of a little mouse who blasts off into space and meets a famous astronaut... <https://youtu.be/8QuEqRa9JFc>

Did you recognise the astronaut? You can see how she got on in Space... <https://youtu.be/qCwRnqOPX2s>

Draw a picture of yourself blasting off into space just like Miss Mouse.

Have Fun! See you soon. Mrs McLaughlin 😊
