Hello there! Today we are going to warm up with Choonbaboon

<https://www.youtube.com/watch?v=rm3mHp7cWbw>

Have a go at singing Woof Woof! to put your warm up into action and really get in the mood.

You are about to end one school year and will soon begin another. What things will change in your move? What things might stay the same? How does that make you feel?

How do feel you have changed since you began in your class? What sorts of things have you learnt and enjoyed?

Try singing along with **"This is Me!"** a song all about the things that make you you.

Don't forget to "View song activities" which go along with this song. They will help you to develop your ideas.

A Make a poster - think about the things that are special about you? What
C do you want to learn next year?

T Choose a snappy head line - how you want it to go -
