Let's take a journey under the sea. Find 'Down Under the Sea' with Mrs Howarth.

I hope that's put you in the mood for going under the sea! Here's some music called "Aquarium" to listen to. You might like to pretend you're a fish swimming under the water and move to it.

Today's story is - "The Rainbow Fish" by Marcus Pfister

What a lovely story about sharing.

Maybe you'd like to make some fish of your own and share the shiny scales. You can draw them on paper or make models out of salt dough to paint.

You can sing the nursery rhyme "1,2,3,4,5, once I caught a fish alive" with your fish when they're finished.

Let's finish with something silly.

It's a song you probably already know - "Baby Shark".
