Hi Everybody - are you ready to make music?

Let's sing our hello song - Let's hold hands - you'll find it here along with lots of other videos.

Here is a song about a butterfly - can you pretend you've got wings and flap them to the beat of the music?

Do you know where butterflies come from? Here's a story to help us find out called "The Very Hungry Caterpillar" by Eric Carle.

Here's a song which tells the same story. Find something to shake or bang to the beat.

This song is about bees in a beehive:

Can you make a caterpillar using an egg carton or a butterfly finger puppet using paper. Here's a template:

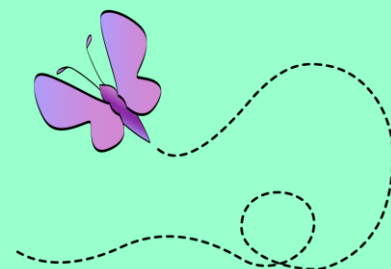

<https://www.youtube.com/watch?v=4OITT9NddEA&t=19s>

I wonder what sort of sounds your caterpillar might make? Tinkly; clangy; banga; scrappy?

Can you look around the house and try to find some to create your own Hungry Caterpillar soundscape?

I hope you have fun with the activities. If your grown up at home allows you to, it would be fantastic to see some videos of you on our Bolton Music Service Twitter feed. The link is at the top of this page.

There is also an instagram and facebook page for Bolton Music Service.

Take Care
