Hi Everybody - are you ready to make music?

Don't forget to warm your voices up too - point your "Peter Pointer" and draw big mountains, rising up high and swooping down low. Now can you add some sounds with your voice? Try adding some different sounds -

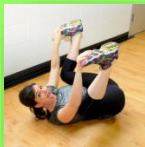

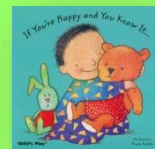

Sssssssssss or Brrrrrrrrrr

Watch this book from Barefoot Books - "If you're happy and you know it". Sing along.

Can you think about what makes you happy?

Can you make a shape or show your grown up what it looks like to be happy? Can you make sounds which might go with it?

Try making shapes some sounds which Maybe put two of pattern. Can you add

for other feelings - angry - make fit with the shape and the sounds. those shapes together to make a the sounds now?

Now try brave? are your sounds loud or quiet? Is your shape big or small? Tall and stretched out or curled up and small?

Please don't forget to share your ideas.
