

Making Music at Home- EYFS - Dinosaurs

<p>W A R M U P</p>	<p>Hi Everybody - are you ready to make music? Let's sing our hello song - Let's hold hands - you'll find it here along with lots of other videos. https://vimeo.com/showcase/7074753 You are going to need some dinosaur feet today. Can you make your feet stamp in time to this music ? https://www.bbc.co.uk/programmes/articles/1rpRf1Q7cK683F9LlwqTb5x/ What happened to the music? What do you think the monster looked like?</p>	 
<p>S I N G I N G</p>	<p>Today we are going to meet a very special monster. This monster is a dinosaur - a Wellasaurus. Can you get a medium-sized, dinosaur coloured sock and put in on your hand- can you make your thumb and fingers do a snappy motion? What sort of sounds would your dinosaur make? Can your dinosaur make a high sound? A low sound? A quiet sound? A loud sound! Can your feet stamp along to the music and your dinosaur join in with the "A-Wellasaurus" chorus? https://www.youtube.com/watch?v=MfU-cgLRycA What does your wellasaurus like to do? Can you make up your own chorus for your wellasaurus?</p>	
<p>A C T I V I T Y</p>	<p>Have a go at this Dinosaur Rap from Barefoot Books. Can you hear all those different sounds. Can you find some sounds around your house - a saucepan or a jar of pasta? Can you play along with the song. https://www.youtube.com/watch?v=yhQkUowpNNo Where does your dinosaur live? Can you make a den and put the sounds you have chosen for your dinosaur in it? Maybe you could take a picture and send it to school of you in your den with your dinosaur, singing your song.</p>	

Please don't forget to share your ideas.
 Bolton Music Centre is now on Instagram , Facebook and Twitter. If you share with your school, make sure you include @BoltonMusicCent and #Makingmusicathome so we can enjoy your work .
