Dear Parents,

Severe weather

As winter is upon us, I thought it would be a good time to remind you how to access information on school closures.

If you are uncertain whether or not school is open due to severe weather conditions, the school's website will display school closure information and can be accessed via:

www.lever-edge.bolton.sch.uk (See the Noticeboard section).

The following local radio stations will also have the most up to date information regarding closures. These radio stations will normally provide half hourly bulletins and will display the information on their website. The radio stations carrying closure information are:-

Tower FM	107.4 FM and DAB
Hits Radio	103 FM and DAB

Also, parents can check the Council's website to find out which schools are closed. This information can be found at:

www.bolton.gov.uk/website/pages/Schoolclosures.aspx

I would like to reassure you that the school will make every effort to remain open.

Yours sincerely

Mrs K James
Head Teacher
