

## Physical Education/Sports Funding at Lever Edge Primary Academy 2020/21

Evidencing the Impact of the PE and Sport Premium Grant How well is the funding being used to improve the quality and breadth of PE provision, including increasing participation in PE and sport so that all pupils will adopt healthy life-styles and reach the performance levels they are capable of?

**Amount of Grant Received:** In the academic year 2020/2021 the school will receive **£19,620** from the DfE towards P.E. and sport provision.

**Meeting National Curriculum requirements for swimming and water safety:** (Figures from 2018/19 as no figures for 2019/20 due to COVID-19)

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	37%
--	-----

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] – up to 25m?	30%
---	-----

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	30%
---	-----

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
--	-----

**School Principles for PE and Sport Premium Grant Spend:**

- Children will benefit from high quality PE & Sport.
- Children have access to PE & Sport in a safe environment.
- Children access learning which increases a healthy and active lifestyle and improves emotional well-being.
- Children access a curriculum which has benefitted from rigour and sustainability in planning, monitoring and development.
- Children access a curriculum which is challenging, imaginative and fun.

**Overall Key Achievements to date:**

- The P.E. Lead / Specialist sports coach, works very closely with outside organisations to the benefit of our children, both in and out of school hours.
- A gymnastic teacher, from Beth Tweddle Gymnastics, will hopefully, from the Spring Term, once again provide weekly specialist gymnastic teaching to every class, throughout the school. The school also has access to a specialist dance teacher which we will hopefully be able to use as the year progresses. Throughout the year, the school will also access a range of specialist coaching to further enhance the provision e.g. cricket.
- Each year, during the summer term, the school organises a sports week where children are provided with the opportunity to experience new sports and take part in additional competitive events. Specialist coaches are also invited into school during this week.
- These strong links, coupled with the continued hard work and effort invested in P.E. at Lever Edge Primary Academy, allow the school to consistently improve the level and quality of sport on offer each year, both within the school day and at after school clubs.
- The school has also invested a significant amount of money on developing sporting facilities at the school, including building a new sports hall which can be used for a variety of activities in all kinds of weather.
- The school also has a short tennis course, running and obstacle courses and net and wall game facilities.
- We have successfully achieved Bronze School Games Award

## Physical Education/Sports Funding at Lever Edge Primary Academy 2020/21

### Evaluation 2019/20:

Unfortunately the year was disrupted by COVID-19 and many actions within the PE plan were unable to take place. However, both the Autumn and Spring Terms were successful and saw an increase in physical activity both within and outside of curriculum time.

- Year 5 and Year 4 attended their swimming lessons.
- All classes benefitted from specialist gymnastic coaching.
- A member of staff attended training for yoga and rolled out an after school club which was well attended.
- Reception children were able to access an excellent session learning how to use the balance bikes which saw many of them grasping this new skill.
- The Play Leaders Award was started with Year 5 and Year 6 pupils but unfortunately couldn't be completed due to lockdown.
- We successfully held 2 health and wellbeing weeks which included Keep Fit Kids, Yoga, mental health sessions for pupils and mental health workshops for parents.
- Pupils attended more inter-school competitions and gifted and talented pupils were signposted to clubs in the area.
- The school was on target to achieving the Silver Sports Award.

### Areas of concern:

With the occurrence of lockdown and the school closure it is a real concern that most of the pupils who attend Lever Edge Primary Academy will have done little or no exercise since March. This, coupled with the possibility that many children could potentially be overweight or even obese, increases the worry further and places an increased importance on the need for **all** pupils to increase their levels of physical activity.

### Key Indicator 1: The engagement of **all** pupils in regular physical activity

Ofsted Factor: Chief Medical Officer guidelines recommend that primary pupils undertake at least 30 minutes of physical activity a day in school

Intent	Implementation	Funding Allocated	Impact and sustainability
Pupils engage in 2 hours of Physical Activity every week	Specialist teacher of Physical Education employed to deliver high quality P.E. lessons for each year group once a week.	Salary	Enhanced, inclusive, more exciting curriculum provision. Wider range of activities for children to perform that are fun and enjoyable, yet engaging. Achieve Silver School Games Award
Increased participation in extra-curricular sport	Pupil voice (School Council) indicates that the children would like a wider variety of sport during extra-curricular/before and after school activities	Nil	Increased numbers participating in out of school hour clubs – pupils becoming more physically active, developing skills and applying during PE. Achieve Silver School Games Award
Whole school participation in Daily 15	<b>All</b> classes to spend 15 minutes a day walking or running or taking part in a HIIT activity	Nil	Improved concentration and discipline on return to class. All children active at least once a day
Provide opportunities for pupils to participate in sporting activities during playtimes and lunchtimes.	Access to self-select activities/equipment, Football (Ball Area), Running Track/Obstacle Course and Activities in the Sports Hall via a rota	Maintaining Resources £500	Increased numbers participating in regular physical activity adding to the recommended 30 minutes daily

## Physical Education/Sports Funding at Lever Edge Primary Academy 2020/21

### Key Indicator 2: Raising the profile of PE and sport as a tool for whole school improvement

Ofsted factors: how much more inclusive the physical education curriculum has become; the improvement in partnership work on physical education with other schools and other local partners; links with other subjects that contribute to pupils' overall achievement and their greater spiritual, moral social and cultural skills

Intent	Implementation	Funding Allocated	Impact and sustainability
Be a part of the inter-school competitions as and when they are re-instated  Transport costs	Provide our children with a vital opportunity to be competitive with children from other schools.	Transport £ 500	A network of Bolton schools co-ordinate different sports over the academic year (When it is safe to do so) As part of this commitment, coaching during lessons is provided by the sports lead Afterschool clubs used to develop coaching opportunities
Delivery of Health and Wellbeing Weeks x3 (One per term)	All children to learn more about Healthy Lifestyles and staying Healthy	As in priority 4	(Linked to Science and PSHCE) A greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health An understanding of the importance of being active on physical and mental health

### Key Indicator 3: Professional Development in PE

Ofsted Factor: Increased confidence, knowledge and skills of all staff in teaching PE and Sport

Intent	Implementation	Funding Allocated	Impact and sustainability
Coaches used to provide high quality PE and sports activities and upskill all staff	All staff to be in PE lessons including gymnastics to observe and receive high quality CPD	Nil	Long-term investment in specialist staff to work alongside teachers to improve skills
Sports coach to attend training, as identified, during the year to further improve knowledge and skills	Training identified and attended by Sports Coach	As per	Long-term investment in the development of sports coach to ensure delivery of high quality PE lessons

### Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils

Ofsted factor: the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics; the growth in the range of provisional and alternative sporting activities

Intent	Implementation	Funding Allocated	Impact and sustainability
Swimming lessons for Year 3, 4 and 5 with possible top up lessons for those identified in Year 6	Children in Year 3, 4 & 5 are assessed at the end of the program. It expected that each child will be able to swim 25m	£9,930.36 Transport: £4680	Children in Year 3, 4 & 5 are taught the basic skills of swimming, by the end of the course it is expected that all children are able to swim at least 25m

## Physical Education/Sports Funding at Lever Edge Primary Academy 2020/21

Introducing yoga sessions to the children as well as HIT (High intensity training) activities, which will aim to improve the pupils' mental health, increase flexibility and strengthen growing bodies as well as increase levels of fitness	Health and Wellbeing Week and after school clubs will provide opportunities for these to take place	Resources purchased during previous academic year Yoga teacher – x£150 per session (day) delivered	All children have taken part in at least 3 yoga sessions and some children to regularly attend after school yoga club. Children are able to talk about how to use techniques taught in yoga to calm themselves down and the benefits of relaxation.
Beth Tweddle gymnastics continues to provide specialist coaching during Spring and Summer Terms	Specialist coach to continue to work with all children in school to enhance teaching of gymnastics	£3,740	Children have the opportunity to develop gymnastic skills through working with specialist coach. School staff develop skills by working alongside specialist coach.
Access to Bikeability for Year 5 and Year 6 pupils	Children complete a basic cycling proficiency course	£500	"Bikeability" for Year 5 and Year 6 provides safety training as well as effective, lifelong preparation to ride a bike safely and fits in with the current agenda of children travelling to school safely (COVID)
Access to use of Balance Bikes for Reception pupils	Children in Reception to be given the opportunity to learn how to ride a 2 wheeled bike via use of balance bikes	£250 course Purchase a range of balance bikes (sizes) £500	Balance bike provides training for life skill of riding a bike Allows children to gain the confidence and skills required to ride a pedal bike independently Promotes the physical benefits of cycling for young children
Purchase of additional sports equipment	Maintain and expand the range of sports equipment for use at lunchtimes and playtimes so each bubble has access to own set of equipment	£1,000	Children accessing games that are not part of the curriculum

### Key Indicator 5: Increased participation in competitive sport

Ofsted factor: the increase and success in competitive school sports

Intent	Implementation	Funding Allocated	Impact and sustainability
Be a part of the inter-school competitions (As and when it is safe to do so)  Transport costs	Provide our children with a vital opportunity to be competitive with children from other schools.	As priority 2	A network of Bolton schools co-ordinate different sports over the academic year As part of this commitment, coaching during lessons is provided by the sports lead Afterschool clubs are also used to develop coaching opportunities Achieve Silver School Games Award

## Physical Education/Sports Funding at Lever Edge Primary Academy 2020/21

Be part of Intra-School Competitions – initially within bubbles but then wider school as it becomes safe to do so	Mini tournaments as part of high quality PE lessons Sports Week Tournaments in netball, football, cricket Children provided with certificates, stickers and Sports Star of the week to further raise the profile of PE in School	Nil	Timetable and planning for all years groups Sports Week Timetable Achieve Silver School Games Award
